

booking

information for teachers

Booking is **essential** for all groups visiting the Museum, including self-guided visits.

We strongly recommend booking well in advance, at least a term for primary sessions, to avoid disappointment.

Please also consider alternative dates before ringing as this speeds up the booking process.

On booking please advise the bookings coordinator of any special requirements e.g. access issues.

How to book:

1. Choose the session you wish to book. Further details of available sessions, organised by key stage, can be found on the Museum website.
2. Consider a number of alternative dates and travel arrangements. For tips and suggestions, please see the Getting Here PDF and Tips for Visit Planning PDF.
3. Ring the bookings coordinator, **Nora Callaghan** on **0161 275 2630**.
4. Once a booking has been confirmed by phone you will receive a booking form in the post.
5. Please pay at reception on the day of your visit. Cheques should be made payable to **"The University of Manchester"**.
